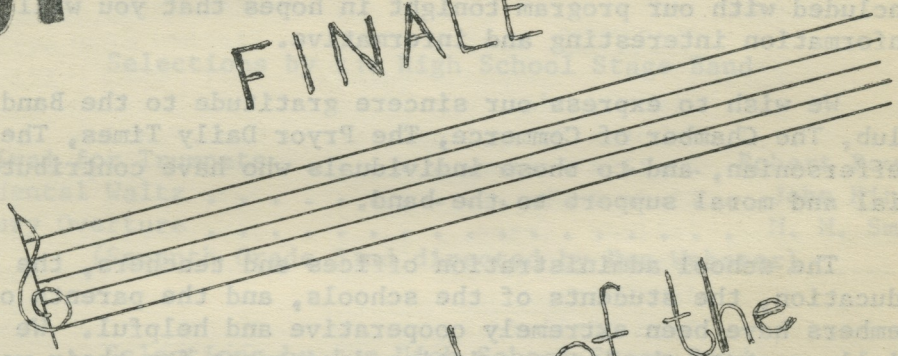
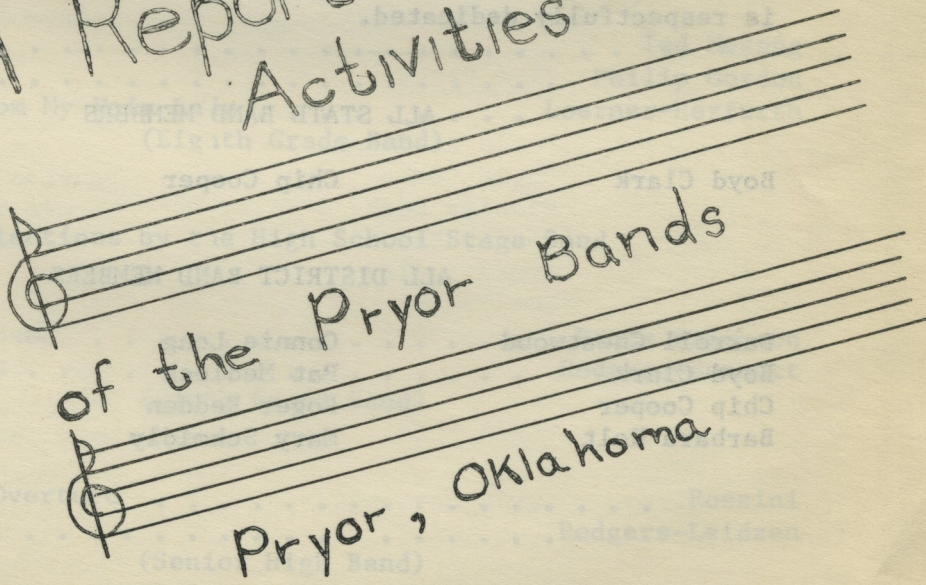
OPUS 1967-68

FINALE



A Report of the Activities



of the Pryor Bands

Pryor, Oklahoma

FOREWORD

This booklet has been prepared as a means of recording the activities of the organizations during the past year. It has been included with our program tonight in hopes that you will find the information interesting and informative.

We wish to express our sincere gratitude to the Band Boosters Club, The Chamber of Commerce, The Pryor Daily Times, The Pryor Jeffersonian, and to those individuals who have contributed financial and moral support to the band.

The school administration offices and teachers, the Board of Education, the students of the schools, and the parents of band members have been extremely cooperative and helpful. We especially want to thank the printing department for their work on this program. To all who have given their support, this report is respectfully dedicated.
